

ANCHORAGE METROPOLITAN AREA TRANSPORTATION SOLUTIONS FISH CREEK TRAIL CONNECTION PROJECT

Project No. CFHWY00587

PROJECT HISTORY

- 1997** Anchorage Areawide Trails Plan identified two future paved trails paralleling Fish Creek between Northern Lights and Coastal Trail
- 2004** Fish Creek Estuary established through two conservation easements held by Department of Natural Resources and Great Land Trust. Both easements specifically allow a trail through the estuary with stipulations
- 2016** AWWU maintenance road constructed and fenced, restricting access to the estuary
- 2017** Fish Creek Trail to the Ocean group formed consisting primarily of Spenard, Turnagain, and North Star Community Council Members
- 2018** Fish Creek Trail Connection was included in AMATS TIP
- 2021** AMATS Non-Motorized Plan was adopted and includes Fish Creek Trail connection project
- 2021-2024** Four Anchorage Parks and Recreation bonds passed with funding for the Fish Creek Trail Connection
